

# *The PanMecca Prison Model*

**Julian Phillips Kennedy**

Challenging the 250-year-old sociology of prison design and penal architecture as well as the external systems that drive the crisis of mass incarceration while elevating communities most affected.

# *The PanMecca Prison Model*

## Legend

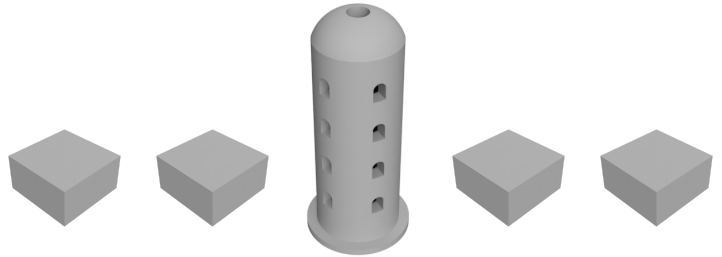

*All facilities are open for use for both inmates and the general public.*

*\*Employs inmates.*

*\*\*Employs inmates, managed by inmates, partially owned by inmates.*
